

## **Croydon Maroondah College**

### **Year 7 Humanities (Integrated Task with English)**

### **Geography**

#### **Making a Map**

The first CAT for Humanities this semester is to create a map of the lake and its surrounds as described in the novel 'Hatchet'.

To do this, you will need to carefully read pages 31- 40 of the novel.

Your Map must include-

- BOLTSS
- The lake
- The ridge
- Brian's shelter
- Location of the plane
- Tall pines
- The berry patch
- The sandy beach
- Beaver dam

To complete this exercise, you will need to

- Complete an individual map (Humanities CAT 1)
- A reflective commentary on how you constructed the map and an evaluation of the finished product. (English CAT1)
- For a bonus ACE point, produce your map on the iPad using an app or any other form of Information Technology.
